

## **Mission Statement**

“Building Bridges” is a cooperative effort of area employers and area educators to foster the development of workplace competencies through curricula and instruction.

### **GOALS:**

1. To provide on-site exposure of educators to the particular competencies required at selected work settings.
2. To generate ongoing interaction between employers and educators toward appropriate and promising preparation of students for employability.
3. To consider the extent to which “learning for earning” should be part of the curriculum at different levels of formal education.
4. To explore ways to foster workplace behaviors and competencies through regular academic subjects at all levels of education.
